The Soprano hero (#25), A Family Affair,
Fair Lawn: “It’s not for everyone,” says deli
owner Eddie Tisi of the magical \$8.50
combination of prosciutto, ham, the spiced
pork known as capicola sharp provolone
and hot peppers, all on a crusty semolina
roll. “It’s for a hard-core guy that likes real
Italian sandwiches.” And those who can
appreciate a real sandwich are in luck here.
